National Swimming Championships for Secondary Schools (Hampshire and Isle of Wight Round) Sunday 16th November 2008

Dear Colleague,

I would like to invite your School/College to enter teams in the above swimming gala, which will take place at The Quays Swimming & Diving Complex in Southampton. Warm up will be at 2.00, first event at 2.30. We would hope to be finished by 5pm.

As last year, we are holding the Hampshire Round on a Sunday. This is because we are aware that swimmers often compete for their Clubs on Saturday evenings. As a teacher myself, I know how precious weekends are, so please note that there are many parents who would volunteer to accompany your team if you are not able to find a teacher with a free Sunday afternoon.

The fastest teams nationally will qualify for the National Championships, which will be held on 7th February 2009, in Gloucester.

I have enclosed a copy of the Conditions; further copies and entry forms can be found on the Hampshire Schools Swimming Association website – www.hampshireschoolswimming.org.uk

All entries, together with entry fees, must be received by **Monday 10th November 2008**.

Yours sincerely,

Sue Lambert
